# Career Development Training

*"This class has been super useful and helped me to navigate my first couple of months as a career counselor successfully. I will definitely recommend Horizon Point Consulting to our future career counseling hires."*

*"I found it immensely eye-opening and relevant to my work, and I know my colleagues did too. We all heard great things about Horizon Point Consulting, but you somehow managed to exceed our expectations! I will definitely be recommending this program in the future!"*

*"HPC sets the standard for professional excellence as instructors for NCDA's FCD course. I was particularly impressed by their responsiveness to my questions and knowledge of industry best practices. They provided personalized support and resources as needed throughout the course."*
